**Essays of Joseph Addison, Vol. 1 of 2 Sep 30 2022** Excerpt from *Essays of Joseph Addison, Vol. 1 of 2: Chosen and Edited With a Preface and a Few Notes* Having undertaken to edit these essays, in which Sir Roger de Coverley plays a leading part, I naturally formed a wish to visit the old knight's pleasant seat in Worcester shire, where the Spectator passed the month of July with him in rural retirement more than two hundred years ago. I was the more desirous of doing so, because my researches into the history of the Spectator Club had led me to believe, that on the dissolution of the club many of the papers relating to it had been sent for safe-keeping to Captain Sentry, Sir Roger's heir, and that some of them at least were still preserved in the muniment room at Coverley Hall. Accordingly I wrote to inquire of the present owner of the Hall, and received from him a very courteous letter in reply. He informed me that he had in his possession a considerable number of papers concerning the club, that he had never himself examined them with attention, but that I should be free to do so and to publish anything of interest I might find in them, if I would pay him a visit and examine the documents on the spot, as he valued them too highly to trust them to the hazards of the post. He only stipulated, that I should not make his name public, nor drop any hint as to the part of Worcestershire in which Coverley is situated for he leads, as he told me, a very retired life on his ancestral estate. *Lady Anne and the Howl in the Dark* Jan 29 2020 Fans of the Lady Julia Grey Mysteries will love these Georgian historical mysteries. After receiving a distressing letter from a friend, Lady Anne Addison wastes no time in traveling to Yorkshire to offer whatever help she can. She has no idea what she'll find there, but she certainly wasn't expecting to be met by tales of a werewolf terrorizing the area—nor the dead body she discovers upon arriving. Driven by curiosity and a keen intelligence, Lady Anne dismisses the notion of such a beast, but she's nonetheless drawn into the mysteries by the secrecy surrounding her friend and the infuriating yet enticing Lord Darkefell. With a murderer on the loose and the supposed werewolf ravaging livestock and terrifying the locals, Lady Anne puts her reservations aside and joins forces with the seductive Darkefell to get to the bottom of things. And though his nearness is a tempting distraction, Lady Anne manages to uncover one clue after another, unraveling the mysteries and drawing ever closer to the killer, even while her true feelings for the enigmatic marquess elude her . . . This book was originally published under the name Donna Lea Simpson. Praise for the Lady Anne Addison Mysteries: "If you are looking for a historical mystery with romance, suspense, and a suggestion of paranormal, then read *Lady Anne and the Howl in the Dark*." —Fallen Angel Reviews "[Hamilton] excels at imbuing her realistic characters with subtle depths . . ." —American Library Association "[The author] has set up a well-drawn Gothic horror setting here, so the atmosphere is fantastic, what with it being chilling, mysterious, and menacing all at once." —Mrs. Giggles

*The Witness for the Dead* Aug 06 2020 "At once intimate and literally operatic, it's everything I love about Katherine Addison's writing, in ways I didn't know to expect. I loved it." —John Scalzi Katherine Addison returns to the glittering world she created for her beloved novel, *The Goblin Emperor*, in this stand-alone sequel Locus Award Finalist! Mythopoeic Award Finalist! When the young half-goblin emperor Maia sought to learn who had set the bombs that killed his father and half-brothers, he turned to an obscure resident of his father's Court, a Prelate of Ullis and a Witness for the Dead. Thara Celehar found the truth, though it did him no good to discover it. He lost his place as a retainer of his cousin the former Empress, and made far too many enemies among the many factions vying for power in the new Court. The favor of the Emperor is a dangerous coin. Now Celehar lives in the city of Amalo, far from the Court though not exactly in exile. He has not escaped from politics, but his position gives him the ability to serve the common people of the city, which is his preference. He lives modestly, but his decency and fundamental honesty will not permit him to live quietly. As a Witness for the Dead, he can, sometimes, speak to the recently dead: see the last thing they saw, know the last thought they had, experience the last thing they felt. It is his duty use that ability to

resolve disputes, to ascertain the intent of the dead, to find the killers of the murdered. Celehar's skills now lead him out of the quiet and into a morass of treachery, murder, and injustice. No matter his own background with the imperial house, Celehar will stand with the commoners, and possibly find a light in the darkness. Katherine Addison has created a fantastic world for these books – wide and deep and true. Handbook of Autobiography / Autofiction Apr 01 2020 Autobiographical writings have been a major cultural genre from antiquity to the present time. General questions of the literary as, e.g., the relation between literature and reality, truth and fiction, the dependency of author, narrator, and figure, or issues of individual and cultural styles etc., can be studied preeminently in the autobiographical genre. Yet, the tradition of life-writing has, in the course of literary history, developed manifold types and forms. Especially in the globalized age, where the media and other technological / cultural factors contribute to a rapid transformation of lifestyles, autobiographical writing has maintained, even enhanced, its popularity and importance. By conceiving autobiography in a wide sense that includes memoirs, diaries, self-portraits and autofiction as well as media transformations of the genre, this three-volume handbook offers a comprehensive survey of theoretical approaches, systematic aspects, and historical developments in an international and interdisciplinary perspective. While autobiography is usually considered to be a European tradition, special emphasis is placed on the modes of self-representation in non-Western cultures and on inter- and transcultural perspectives of the genre. The individual contributions are closely interconnected by a system of cross-references. The handbook addresses scholars of cultural and literary studies, students as well as non-academic readers.

*The Broadview Reader - Third Edition* Jul 17 2021 This new edition includes most of the essays that have made *The Broadview Reader* one of the most popular first-year textbooks in Canada, and adds 18 fresh selections. As before, essays are gathered into groups by topic, but the editors also provide alternative tables of contents by rhetorical patterns and devices, and by chronology. Each selection is followed by a wide range of questions and suggestions for discussions, and the reader also includes a glossary and biographical notes. Most of the new selections are of recent vintage, but in recognition of the degree to which "modern" issues often have a long and honourable history, the editors have also added several selections by nineteenth-century writers. Also, the reader now includes a full section on "Women in Society." The book's balance of Canadian and non-Canadian writers has been maintained, as has the range of different styles and different essay lengths that are included. In all, the new edition includes 80 selections.
