Get a Life Sep 19 2021 The book "Get a Life (The Dummies Guide To Life)," grew out of my brushes with life and my life long study of and fascination with human nature. I also had a bout of cancer in 2006. I find it interesting how people react to big events like finding out you have cancer. Personally I believe you have to take the good with the bad and get on with it. So I decided to write my thoughts down on my laptop and see what comes up! LOL The opinions expressed are mostly my own with help from quotations etc.
