The Isle Beyond Time Aug 21 2021 GOOD AND EVIL... She defeated a demon and imprisoned a mad druid in a crystal serpent's egg. She changed the course of history, and never doubted which side she was on. Now the rules have changed. In the shifting landscapes Celts call the otherworld, friends may be foes, good deeds yield evil results, and childhood fantasies become adult nightmares. Braving pillaging Vikings on the Loire, battling a crazy sorcerer in the Broceliande forest, and confronting the nine Gallicenae, druidesses who rule the Isle of the Dead, the only friend Pierrette can trust may be the Evil one himself, the Eater of Gods. And now the last battle looms, a battle in which Pierrette, she who would save the Past and the Future, can trust no one and nothing, not even the devil she thought she knew. At the publisher's request, this title is sold without DRM (Digital Rights Management). The tide has dragged in something good for a change, and Uma is determined to get her wicked hands on it. But first, she needs a pirate crew. A storm is brewing back in Auradon, and

when Mal, Evie, Carlos, and Jay hear that the trident has been washed away, they realize they'll have to find it before anyone from the Isle does. Luckily, they seem to have a talent for locating missing magical objects. As Uma readies for the high seas alongside Harry, son of Captain Hook, Gil, son of Gaston, and the toughest rogues on the Isle of the Lost, the reformed villains of Auradon devise their own master plan. And with King Ben away on royal business, they won't have to play by all the rules. Using bad for good can't be totally evil, right? The thrilling, perilous race to the trident pits old friends- and current enemies-against each other with the future of Auradon on the line. Both teams might like to make waves, but only one will come out on top of this one. The Isle of Youth Jun 18 2021 Laura van den Berg's gorgeous new book, *The Isle of Youth*, explores the lives of women mired in secrecy and deception. From a newlywed caught in an inscrutable marriage, to private eyes working a baffling case in South Florida, to a teenager who assists her magician mother and steals from the audience, the characters in these bewitching stories are at once vulnerable and dangerous, bighearted and ruthless, and they will do what it takes to survive. Each tale is spun with elegant urgency, and the reader grows attached to the marginalized young women in these stories—women grappling with the choices they've made and searching for the clues to unlock their inner worlds. This is the work of a fearless writer whose stories feel both magical and mystical, earning her the title of "sorceress" from her readers. Be prepared to fall under her spell. The Black Isle Oct 30 2019 There are ghosts on the Black Isle. Ghosts that no one can see. No one...except Cassandra. Uprooted from Shanghai with her father and twin brother, young Cassandra finds the Black Isle's bustling, immigrant-filled seaport, swampy jungle, and grand rubber plantations a sharp contrast to the city of her childhood. And she soon makes another discovery: the Black Isle is swarming with ghosts. Haunted and lonely, Cassandra at first tries to ignore her ability to see the restless apparitions that drift down the street and crouch in cold corners at school. Yet despite her struggles with these spirits, Cassandra comes to love her troubled new home. And soon, she attracts the notice of a dangerously charismatic man. Even as she becomes a fearless young woman, the Isle's dark forces won't let her go. War is looming, and Cassandra wonders if her unique gift might be her beloved island's only chance for salvation . . . Taking readers from the 1920s, through the Japanese occupation during WWII, to the Isle's radical transformation into a gleaming cosmopolitan city, *THE BLACK ISLE* is a sweeping epic--a deeply imagined, fiercely original tale from a vibrant new voice in

fiction.
