The Joy Luck Club Aug 09 2020 "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Iza's Ballad Oct 30 2019 From the author of *The Door*, selected by The New York Times Book Review as one of the ten best books of 2015 An NYRB Classics Original Like Magda Szabó's internationally acclaimed novel *The Door*, *Iza's Ballad* is a striking story of the relationship between two women, in this case a mother and a daughter. Ettie, the mother, is old and from an older world than the rapidly modernizing Communist Hungary of the years after World War II. From a poor family and without formal education, Ettie has devoted her life to the cause of her husband, Vince, a courageous magistrate who had been blacklisted for political reasons before the war. Iza, their daughter, is as brave and conscientious as her father: Active in the resistance against the Nazis, she is now a doctor and a force for progress. Iza lives and works in Budapest, and when Vince dies, she is quick to bring Ettie to the city to make sure her mother is close and can be cared for. She means to do everything right, and Ettie is eager to do everything to the satisfaction of the daughter she is so proud of. But good intentions aside, mother and daughter come from two different worlds and have different ideas of what it means to lead a good life. Though they struggle to accommodate each other, increasingly they misunderstand and hurt each other, and the distance between them widens into an abyss. . . .

Call Me American Sep 09 2020 Abdi Nor Iftin first fell in love with America from afar. As a child, he learned English by listening to American pop and watching action films starring Arnold Schwarzenegger. When U.S. marines landed in Mogadishu to take on the warlords, Abdi cheered the arrival of these Americans, who seemed as heroic as those of the movies. Sporting American clothes and dance moves, he became known around Mogadishu as Abdi American, but when the radical Islamist group al-Shabaab rose to power in 2006, it became dangerous to celebrate Western culture. Desperate to make a living, Abdi used his language skills to post secret dispatches, which found an audience of worldwide listeners. Eventually, though, Abdi was forced to flee to Kenya. In an amazing stroke of luck, Abdi won entrance to the U.S. in the annual visa lottery, though his route to America did not come easily. Parts of his story were first heard on the BBC World Service and *This American Life*. Now a proud resident of Maine, on the path to citizenship, Abdi Nor Iftin's dramatic, deeply stirring memoir is truly a story for our time: a vivid reminder of why America still beckons to those looking to make a better life.

But this life also brings unexpected surprises—there are new friends, a whole new family, and a school musical that Jude might just try out for. Maybe America, too, is a place where Jude can be seen as she really is. This lyrical, life-affirming story is about losing and finding home and, most importantly, finding yourself.

The Library Book Sep 29 2019 Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an investigation into one of its greatest mysteries. "Everybody who loves books should check out *The Library Book*" (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a "delightful...reflection on the past, present, and future of libraries in America" (New York magazine) that manages to tell the broader story of libraries and librarians in a way that has never been done before. In the "exquisitely written, consistently entertaining" (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-haired actor long suspected of setting fire to the LAPL more than thirty years ago. "A book lover's dream...an ambitiously researched, elegantly written book that serves as a portal into a place of history, drama, culture, and stories" (Star Tribune, Minneapolis), Susan Orlean's thrilling journey through the stacks reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.

The Gangster We Are All Looking For Dec 13 2020 This acclaimed novel reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. In 1978 six refugees—a girl, her father, and four “uncles”—are pulled from the sea to begin a new life in San Diego. In the child’s imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father’s hopeless rage.

And that means choosing between silence and candor, blame and forgiveness, fear and freedom. By turns harrowing, dreamlike, sad, and triumphant, this searing debut novel, written in lucid verse, reveals an unforgettable perspective on the lasting impact of war and the healing power of love.

Lord of the Flies Feb 01 2020 Golding’s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Middelmarch Book VII Feb 12 2021 Mr. Farebrother was aware that Lydgate was a proud man, but having very little corresponding fibre in him-self, and perhaps too little care about personal dignity, except the dignity of not being mean or foolish, he could hardly allow enough for the way in which Lydgate shrank, as from a burn, from the utterance of any word about his private affairs. And soon after that conversation at Mr. Toller’s, the Vicar learned something which made him watch the more eagerly for an opportunity of indi-rectly letting Lydgate know that if he wanted to open himself about any difficulty there was a friendly ear re-ady.

A Dream Called Home Sep 21 2021 From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman’s quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. “Here is a life story so unbelievable, it could only be true” (Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna’s love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to “a fierce, smart, shimmering light of a writer” (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose “power is growing with every book” (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the

pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure.

See You in the Cosmos Apr 16 2021 "I haven't read anything that has moved me this much since *Wonder*." —Jennifer Niven, author of *All the Bright Places* A space-obsessed boy and his dog, Carl Sagan, take a journey toward family, love, hope, and awe in this funny and moving novel for fans of *Counting by 7s*, *Walk Two Moons*, and *The Curious Incident of the Dog in the Night-Time*. 11-year-old Alex Petroski loves space and rockets, his mom, his brother, and his dog Carl Sagan—named for his hero, the real-life astronomer. All he wants is to launch his golden iPod into space the way Carl Sagan (the man, not the dog) launched his Golden Record on the Voyager spacecraft in 1977. From Colorado to New Mexico, Las Vegas to L.A., Alex records a journey on his iPod to show other lifeforms what life on earth, his earth, is like. But his destination keeps changing. And the funny, lost, remarkable people he meets along the way can only partially prepare him for the secrets he'll uncover—from the truth about his long-dead dad to the fact that, for a kid with a troubled mom and a mostly not-around brother, he has way more family than he ever knew. Jack Cheng's debut is full of joy, optimism, determination, and unbelievable heart. To read the first page is to fall in love with Alex and his view of our big, beautiful, complicated world. To read the last is to know he and his story will stay with you a long, long time. "Stellar." —*Entertainment Weekly* "Life-embracing." —*The Wall Street Journal* "Works beautifully." —*The New York Times Book Review* "Irresistible." —*The Chicago Tribune* "The best I've read in a long, long time." —Holly Goldberg Sloan, author of *Counting by 7s* "Riveting, inspiring, and sometimes hilarious." —*Kirkus*, starred review "A propulsive stream-of-consciousness dive." —*Publishers Weekly*, starred review "A gift—a miracle." —Paul Griffin, author of *Friendship Followed Me Home* "Exuberant." —*Booklist* "Full of the real kind of magic." —Ally Condie, author of *Matched* "Absorbing, irresistible." —*Common Sense Media* "Incredible." —*BookRiot* "Full of innocence and unwavering optimism." —*SLC* "Inspiring." —*Time for Kids* "Powerfully affirms our human capacity for grace and love and understanding." —Gary D. We Were Eight Years in Power Nov 11 2020 In this "urgently relevant"* collection featuring the landmark essay "The Case for Reparations," the National Book Award-winning author of *Between the World and Me* "reflects on race, Barack Obama's presidency and its jarring aftermath"*—including the election of Donald Trump. *New York Times* Bestseller • Finalist for the PEN/Jean Stein Book Award, the Los Angeles Times Book Prize, and the Dayton Literary Peace Prize Named One of the Best Books of the Year by *The New York Times* • *USA Today* • *Time* • *Los Angeles Times* • *San Francisco Chronicle* • *Essence* • *O: The Oprah Magazine* • *The Week* • *Kirkus Reviews* **Kirkus Reviews* (starred review) "We were eight years in power" was the lament of Reconstruction-era black politicians as the American experiment in multiracial democracy ended with the return of white supremacist rule in the South. In this sweeping collection of new and selected essays, Ta-Nehisi Coates explores the tragic echoes of that history in our own time: the unprecedented election of a black president followed by a vicious backlash that fueled the election of the man Coates argues is America's "first white president." But the story of these present-day eight years is not just about presidential politics. This book also examines the new voices, ideas, and movements for justice that emerged over this period—and the effects of the persistent, haunting shadow of our nation's old and unreconciled history. Coates powerfully examines the events of the Obama era from his intimate and revealing perspective—the point of view of a young writer who begins the journey in an unemployment office in Harlem and ends it in the Oval Office, interviewing a president. *We Were Eight Years in Power* features Coates's iconic essays first published in *The Atlantic*, including "Fear of a Black President," "The Case for Reparations," and "The Black Family in the Age of Mass Incarceration," along with eight fresh essays that revisit each year of the Obama administration through Coates's own experiences, observations, and intellectual development, capped by a bracingly original assessment of the election that fully illuminated the tragedy of the Obama era. *We Were Eight Years in Power* is a vital account of modern America, from one of the definitive voices of this historic moment.
