**Bears Behaving Badly** Feb 01 2020 We're not dating, we've never been dating, we're not going to hook up, no way, absolutely not...oh. Oops. My primary focus has always been taking care of were-babies in the interspecies foster care system. I am unapologetically a fierce mama bear

shifter and I am completely united with my team behind protecting at-risk were-children. So I have no idea why the appealing scruffy bear shifter PI David Auberon keeps hanging around, asking for sweets, and being charming and flirty. I've certainly got no time for shy solitary bears who can't ask for what they want. But what am I to do when a hideous bad guy shows up and I need to rescue a were-baby, except call on the skills of the handsome and growly PI? And if dodging enemies puts us in a tight spot...well, I'm not against tight spots. Praise for MaryJanice Davidson: "Slow-burn sexual tension and playful paranormal elements make this hilarious, sizzling romance perfect for fans of Kresley Cole's Immortals After Dark series."—Publishers Weekly STARRED REVIEW "Davidson is in peak form in this hilarious, sexy, and heartfelt paranormal romance" —Booklist STARRED REVIEW

*Deja Who* Mar 04 2020 From the author of the New York Times bestselling Undead novels comes a delightfully addictive new series about past lives and bad habits—and one woman paranormally predisposed to getting at the bottom of both. It's her job. You couldn't arrest for

murder someone who had killed in his last life. You couldn't bring a civil suit against such people, either. They could only be legally penalized for what they did this time around—and what a dark circus the legal system had been before that legislation passed! (It was still a dark circus, but perhaps not as dark.) But you could spot them, and watch them. You could set traps for them. Leah Nazir is an Insider. Reincarnation is her business. But while her clients' pasts are a mess, Leah's is nothing short of tragedy. She's been murdered. A lot. If left to that bitch, destiny, it'll happen again. Leah wants to know who's been following her through time, and who's been stalking her in the present... P.I. Archer Drake has been hired by Leah's mother to keep an eye on her. But the more time he spends watching, the more he finds himself infatuated. Before long, he even finds himself agreeing to help find the person who wants her dead. Over and over again. Now going full-on "rewind," Leah hopes it can stave off the inevitable. After all, she's grown fond of this life—and even fonder of nerdy Archer. But changing her pattern means finding out who her killer is today. And as Leah fears, that could be anyone she has come to know and trust. Anyone.

**Deja New** Aug 28 2019 The New York Times bestselling author of the Undead Novels takes on reincarnation in this unforgettable Insider Novel about the pitfalls in past—and love—lives... Leah Nazir lives in a world where the past can and will come back to bite you in the ass. No, not teething ghosts—reincarnation! As an Insider, it's Leah's job to delve into the murky and (often) deadly former lives of her patients. And she knows a thing or two about danger after killing her mother's murderer with the help of new beau, Archer Drake. Isn't he the best? Now, it's time to take their relationship to the next level, but not in any way Leah could have predicted.

She and Archer head to Chicago to meet his parents—and try to figure out why Archer’s dad killed his brother decades ago. When someone tries to sabotage their investigation, Leah must decide if the Drake family past is a deal breaker...

**Mysteria** Dec 25 2021 Meet the women of Mysteria—and the creatures they fall for—in four stories of paranormal passion from four New York Times bestselling authors. Located in the picturesque mountains of Colorado, Mysteria is a place where the supernatural co-exists with the natural. It's a town of bewitching seduction, dark magic, and sensual demons... In MaryJanice Davidson's "Alone Wolf," Charlene Houtenan is the voluptuous local realtor, who knows a hot property when she sees one. And when a new werewolf appears in town, she's going to make a move he can't resist... In P. C. Cast's "Candy Cox and the Big Bad (Were) Wolf," Candice Cox may be Mysteria High's sexiest teacher, but after five husbands, she's burnt out on romance. Until a former student—a drool-worthy werewolf—makes her howl at the moon... In Gena Showalter's "The Witches of Mysteria and the Dead Who Love Them," Genevieve Tawdry is a witch with a bad case of unrequited love for the owner of the local bar. But is his sudden change of heart the result of a love potion—or a literally breathtaking passion? In Susan Grant's "Mortal

in *Mysteria*,” Harmony Faithfull is the new minister in town. She’s having a crisis of faith—in herself—until she finds a buck-naked man in her garden, a former demon who unleashes the devil inside her...

Undead and Done Jan 02 2020 Vampire Queen Betsy Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author MaryJanice Davidson. It had been a well-kept secret for centuries, but now the existence of vampires is all over the news, thanks to Betsy Taylor's half sister (and the frustrated former Antichrist), Laura. Life for the undead will never be the same, and it's up to Betsy to do some damage control. But her interview on the local news doesn't exactly put out the fire. It more or less pours kerosene on it. With all the added attention on supernatural beings, the werewolves are more than a little agitated (never a good thing) and demand that Betsy gets her interview skills, and her family, in order. And while things go from bad to worse in the world, Hell continues to be hell—especially when Betsy's new parole program becomes about as complicated as you'd expect. With a PR team launching a vampire-friendly campaign, the devil at large and out to make trouble, and mermaids on hand to see who falls—and how hard—the end isn't just near. It's here. And if anyone knows how to go out with a bang, it's the queen of Hell.

But then I have to bring in another human cyborg on the run? One who happens to be male, totally gorgeous, smart, funny--and, um, his "enhancements"?--as if! **Fred Gets Dressed** Sep 29 2019 From a New York Times bestselling author and Caldecott-honor winning artist comes an exuberant illustrated story about playing dress up, having fun, and feeling free. The boy loves to be naked. He romps around his house naked and wild and free. Until he romps into his parents' closet and is inspired to get dressed. First he tries on his dad's clothes, but they don't fit well. Then he tries on his mom's clothes, and wow! The boy looks

great. He looks through his mom's jewelry and makeup and tries that on, too. When he's discovered by his mother and father, the whole family (including the dog!) get in on the fun, and they all get dressed together. Wherever the sharks led, Lucy Everhart's marine-biologist mother was sure to follow. In fact, she was on a boat far off the coast of Massachusetts, collecting shark data when she died suddenly. Lucy was seven. Since then Lucy and her father have kept their heads above water--thanks in large part to a few close friends and neighbors. But June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport. On one steamy day, the tide brings a great white--and then another tragedy, cutting short a friendship everyone insists was "meaningful" but no one can tell Lucy what it all meant. To survive the fresh wave of grief, Lucy must grab the line that connects her depressed father, a stubborn fisherman, and a curious old widower to her mother's unfinished research on the Great White's return to Cape Cod. If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved, she'll finally be able to look beyond what she's lost and toward what's left to be discovered. ?"Confidently voiced."—Kirkus Reviews, starred ?"Richly layered."—Publishers Weekly, starred ?"A hopeful path forward."—Booklist, starred ?"Life-affirming."—BCCB, starred ?"Big-hearted." —Bookpage, starred ?"Will appeal to just about everyone." – SLC, starred ?"Exquisitely, beautifully real."—Shelf Awareness, starred
