desperately to steer the parks to a far darker place-the five kids pick up a major clue from a close friend, Jess, whose dreams (nightmares, really) often accurately predict the future. The very few clues from Jess's dream lead the kids into Disney's Hollywood Studios and Epcot--through imaginary worlds that become real, by imaginary kids who are real. Each clue seems tied to the last, and with the stakes growing ever higher, what starts out as a puzzle ends up as a fight for their lives. Through a transparent paper box, a quest for a sword, rides on Soarin' and Maelstrom, life-and-death encounters with giant snakes, and a devious Maleficent, the Kingdom Keepers not only begin to decipher deeper meanings to the clues, but discover new truths about themselves and their ever-growing friendships.

Kingdom Keepers Sep 22 2021 Collecting books 1-3 of the New York Times best-selling series! When Disney Imagineers installed hologram guides for the Magic Kingdom using five teenage models, they had no idea the technology might backfire. But backfire it did: some nights when the kids go to sleep, they wake up in one of the Disney parks as a hologram. Soon the five young teens find themselves pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls. As this fantastical thriller evolves, Finn and his friends must use their new skills to protect other Disney Parks, traveling to the Animal Kingdom, Hollywood Studios, Epcot, and more! This gripping high-tech tale will thrill every kid who has ever dreamed of sneaking into Disney parks after hours or wondered what happens at night when the parks are closed.

Cut and Run Apr 05 2020 While Ridley Pearson's Lou Boldt series seems to have run out of steam lately, his new stand-alone thriller shows this perennial best-selling author at the top of his form. It begins with a taut prologue introducing federal marshal Roland Larson and his protected witness,

Hope Stevens, whose testimony will send the Romero crime family to jail if she ever makes it to court. When Hope walks away from the witness protection program, she takes Larson's heart with her; he hesitates just long enough to regret it; and spends the next six years searching for her. Then she surfaces again in connection with the disappearance of another protected witness, a computer expert who holds the safety of everyone in the program in the top secret software program he developed. Noone wants access to that program more than the Romero family, and Hope Stevens is the first and most important target of their wrath. As a member of the elite Fugitive Apprehension Task Force, Larson races the clock to find the man whose knowledge threatens the life of the woman he still loves...and the child he never knew he had. A heart-pounding thriller that's impossible to put down, this is Pearson's best to date. --Jane Adams

Lock and Key: The Final Step Jan 15 2021 “Will leave you dying to know more.” —Rick Riordan, author of the #1 bestselling Percy Jackson series The New York Times bestselling author of the Peter and the Starcatchers and Kingdom Keepers series, Ridley Pearson, brings us the thrilling conclusion to the Lock and Key trilogy. Before James Moriarty and his sister Moria enrolled in Baskerville Academy, they were inseparable—as close to best friends as a brother and sister could be. But since setting foot on the boarding school’s campus, James has been different. At Baskerville, he’s become cunning, deceptive, ruthless, sometimes reckless. And now that his roommate Sherlock Holmes has been expelled, there’s no one left to help Moira figure out what’s going on with her brother or to uncover the connection between a recent string of deaths. To Moria, it seems obvious that someone has it out for the Moriarty family. First their father and then their family driver and now their legal guardian—clearly something is afoot. But to get the answers they need, they’ll first have to deal with an incriminating photograph, secret safe houses, and powerful enemies. It’s a

Kingdom Keepers V Aug 22 2021 As the five Kingdom Keepers enter high school, everything is about to change. The Maintenance Base that controls all four parks in Disney World is under attack by the Overtakers, a group determined to change Disney forever. Relationships between the Keepers are no longer as simple as they once were. In fact, nothing is as simple as it once was. An after-hours visit to Typhoon Lagoon is a game changer. The Keepers lose one of their most valuable supporters. But there's work to do . . . The Disney Dream leaves Port Canaveral on an historic cruise to Los Angeles with a special treat in store for guests: the Disney Host Interactive guides are on board. Finn, Maybeck, Charlene, Willa, and Philby join guests as the DHI experience moves to one of the most advanced cruise ships in the world. But all is not right below decks. Strange things are happening. Only the Kingdom Keepers know the truth behind their invitation to be in attendance: nearly every Disney villain is aboard the ship, including Maleficent. The Overtakers have infiltrated the cast and crew. And no one knows what they have planned. The Dream sets sail filled with enthusiastic guests and crew. But not for long. Maleficent takes over a video screen and warns the guests of trouble to come. With the ship arriving to the beaches of Castaway Cay--its first of many exotic ports of call--the Kingdom Keepers are under attack; back home the Base is threatened and about to fall. The Overtakers have expanded in ways never foreseen, and it's clear they intend to use this element of surprise to accomplish what has eluded them so far: victory. But not if Finn Whitman and friends have anything to say about it.

team up again in the latest international thrill ride from New York Times–bestselling author Ridley Pearson. When ex–military contractor John Knox receives a text from partner Grace Chu warning that she fears her cover may have been blown while on assignment, he jumps into action. Knox must locate her overseas handlers, convince them of the threat, and then attempt to retrace the well–hidden steps of a woman who had been attempting to determine how one million euros’ worth of AIDS vaccine disappeared, all while eluding angry poachers on a parallel trail. Corruption isn’t a “problem” in Kenya, it’s the way of doing business. The poaching of ivory from African elephants, driven by insatiable demand from mainland China, fuels constant blood and slaughter. Knox faces police, national rangers, journalists, and safari companies who are each in their own symbiotic relationship with elephants, both good and bad. As the threat from Al-Shaabab militants interferes with his pursuit of Grace, Knox finds himself pitted against the most savage and suicidal fighters in the world. And there’s this woman, Grace, always in his head. His gut. As Grace watches as her civilized self slips away while abandoned in the bush, Knox races against the clock to find her.

The Polarshield Project Oct 24 2021 Jon Kent and Ian Wayne are opposites in every way except one, they are the sons of the World’s Greatest Heroes, Superman and Batman! To uncover a global conspiracy, this unlikely duo will need to learn to trust each other and work together to save the Earth.

Hard Fall Mar 05 2020 The tragic bombing of EuroTours Flight 1023 was big news. To FBI Agent Cam Daggett it was more than that. It was personal. His parents and son were on that plane. And for two years he's been after the killer who did it. All he has to go on is a name: Anthony Kort . . . and the knowledge that Kort is in the United States with a detonator no airport security can detect. HE MUST BE STOPPED. Daggett's colleagues at the Bureau and his girlfriend tell him his vendetta has

become an obsession. They suggest he leave the investigation to other agents, in order to keep it objective. But having painstakingly constructed a portrait of the terrorist, Daggett believes he's now the only one with any chance of predicting Kort's next target. A novel of madness and revenge, *Hard Fall* begs readers to fasten their seatbelts.

Lock and Key: The Downward Spiral Feb 02 2020 “Will leave you dying to know more.” —Rick Riordan, author of the #1 bestselling Percy Jackson series The New York Times bestselling author of the Peter and the Starcatcher and Kingdom Keepers series, Ridley Pearson, brings us the second riveting tale in the Lock and Key trilogy. This bravely reimagined origin story of the rivalry of literature’s most famous enemies—Sherlock Holmes and James Moriarty—is told from the perspective of James’s observant little sister, Moira. At the thrilling conclusion to book one, we left off with James and Moira’s father dying horribly and unexpectedly. Now the search is on to find out what really happened to their father. Did he fall or was he pushed? Sherlock, James, and Moira reluctantly partner up, trusting no one, not even each other, as they uncover a secret sect, a rare jewel, and a sordid history. Blood is spilled, trusts broken, and friendships lost in this story of how one simple mistake cost Father his life and James his heart, and sent the Moriartys spiraling ever downward. It’s a highly original and satisfying take on the Sherlock Holmes series as only master of suspense Ridley Pearson could envision. As Rick Riordan, author of the Percy Jackson series, says, “This tale will change the way you see Sherlock Holmes and leave you dying to know more.”

Peter and the Shadow Thieves May 07 2020 In this riveting and adventure-packed follow-up to Peter and the Starcatchers, we discover Peter leaving the relative safety of Mollusk Island—along with his trusted companion Tinker Bell—for the cold, damp streets of London. Kingdom Keepers VII: The Insider Feb 25 2022 The Kingdom Keepers' senior year in high school is almost over. For more than three years, things have been quiet. Their battles are long behind them, they agree, the threat to the Disney realm silenced—albeit at great cost. But inside the catacombs of the Aztec temple where Finn Whitman faced down his nemesis, the monstrous Chernabog, a new threat brews. Deception and betrayal rock the Kingdom Keepers as the merciless group of Disney villains known as the Overtakers stage an unexpected comeback. But a discovery by the Keepers provides them with one hope of victory—a lost icon. It was believed to be gone forever. The Keepers have one last chance to preserve the heart of the Kingdom—Disneyland—from a terrifying destruction decades in the making.

The Academy Jul 21 2021 Steven "Steel" Trapp has been placed in an East Coast boarding school for gifted kids by his FBI agent father. He soon discovers that there's a clubby element of the faculty and upper classmen that is very secretive and protective. To his surprise, his friend Kaileigh arrives at the school, and it isn't long before the two realize that this is not your normal boarding school. It seems a select few students are recruited, while still minors, to serve as special "translators" for the US Government.

1955..When five present-day teenagers known as the Kingdom Keepers find themselves thrown into a past that would make anyone envious, things don't exactly work out the way they'd hoped. Finn, Charlene, Maybeck, Willa, and Philby open a door into a place and a time when the legend of the Disney parks is just starting. They are there, in 1955, to retrieve Walt Disney's infamous pen that once saved the parks as we know them. But like all things Disney, nothing is as it seems..The early days of the Tower of Terror, the origin of the Overtakers (Disney villains), and the real power of magic unfold in an unexpected series of events that propel both the Keepers and Disney itself into a darkness no one saw coming. Along the way, the Keepers visit Walt Disney's hilltop home, Disneyland's opening day and reception, and find themselves separated from friends sixty years away. The three Fairlies, young women in Disney's School of Imagineering, girls with astonishing powers of their own, have unmasked a long-buried secret that threatens the lives of their friends as well as everything Walt Disney worked for.

Kingdom Keepers II (Volume 2) Mar 17 2021 It's supposed to be a happy day at the Magic Kingdom—the return of the teenaged holographic hosts. But things go very wrong when a sudden lightning storm disrupts the celebration, and Amanda's mysterious sister, Jez, disappears. The only clue is the sighting of a wild monkey in the Magic Kingdom during the storm. The mystery deepens as Finn is contacted by Wayne, an old man he hasn't heard from in months. Wayne tells Finn that there's trouble at the Animal Kingdom: the evil Overtakers have gained control of one of the computer servers that will be used to operate Daylight Holographic Imaging there. That means that if any of the holographic hosts fall asleep, they will go into comas—permanently. Filled with action and brimming with the same meticulous detail as *The Kingdom Keepers: Disney After Dark*, this second book in the series —*The Rise of Chernabog*—is the result of hands-on research behind the

scenes at Disney's Animal Kingdom Park. Young and older readers alike will get a glimpse into a second Disney kingdom. The wild rides have only just begun; and the clock is ticking. How long can the teens keep themselves awake in their quest to find their friend—and what happens if they fail? Kingdom Keepers May 31 2022 In this fantastical thriller, five young teens tapped as models for theme park "guides" find themselves pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls. Using a cutting-edge technology called DHI--which stands for both Disney Host Interactive and Daylight Hologram Imaging--Finn Whitman, an Orlando teen, and four other kids are transformed into hologram projections that guide guests through the park. The new technology turns out, however, to have unexpected effects that are both thrilling and scary. Soon Finn finds himself transported in his DHI form into the Magic Kingdom at night. Is it real? Is he dreaming? Finn's confusion only increases when he encounters Wayne, an elderly Imagineer who tells him that the park is in grave danger. Led by the scheming witch, Maleficent, a mysterious group of characters called the Overtakers is plotting to destroy Disney's beloved realm, and maybe more. This gripping high-tech tale will thrill every kid who has ever dreamed of sneaking into Walt Disney World after hours and wondered what happens at night, when the park is closed.

The Red Room Sep 10 2020 “This installment is all about impossible escapes and elusive spycraft...Another hit in this knockout thriller series featuring nonstop danger, casually clever descriptions of exotic locales, evolving characterization, and evenhanded sociopolitical commentary. Recommended for every beach bag.” —Booklist In the newest international thrill ride from New York Times-bestselling author Ridley Pearson, John Knox and Grace Chu, the incomparable and often incompatible duo, team up again, this time in the exotic “city between two worlds,” Istanbul. What’s it like to see yourself in a picture you never knew was taken? John Knox is an expert at surveillance and delicate, international dealings. So he is understandably thrown when David “Sarge” Dulwich, his contact at Rutherford Risk, hands him a photo of a transaction he recently facilitated in the Middle East. More curious to him, he’s shown that photo while in the Red Room, the private security company’s highly secure underground bunker, where eavesdropping is impossible and privacy ensured. Why all the cloak-and-dagger? Knox is pressured into accepting a job as an art broker in the mysterious Istanbul, a city situated on two continents where East meets West and Islam meets Christianity. It is a melting pot of spies, terrorists, and conflicting interests. Teamed with smart, quick, and fearless Grace Chu, Knox must navigate a murky operation, the only goal of which is to spend five minutes in the proximity of a man they’ve never met. Why? What can it possibly matter? And why are so many others bound and determined to see it never happens—at any cost?

Lock and Key: The Initiation Jul 01 2022 “Will leave you dying to know more.”—Rick Riordan, author of the Percy Jackson series The New York Times bestselling author of the Peter and the Starcatchers and Kingdom Keepers series, Ridley Pearson, brings us the riveting first tale of the Lock and Key trilogy about the origins of the rivalry between literature’s most famous enemies—Sherlock Holmes and James Moriarty, told from the perspective of James’s observant little sister, Moria. Before James grew up to be a ruthless, remorseless villain, he was a curious boy from Boston, with a penchant for trouble and an acid tongue. Thrown into a boarding school against his wishes, James winds up rooming with a most unlikely companion: a lanky British know-it-all named Sherlock Holmes (“Lock” to his friends). An heirloom Bible, donated by the Moriarty family more than a hundred years ago, has gone missing, and it doesn’t take long for the two to find themselves embroiled in the school-wide scandal. The school is on lockdown until it’s found, strange clues keep finding their way to James, and a secret society lurks behind it all. It’s a brave new reimagining of the Sherlock Holmes series as only master of suspense Ridley Pearson could envision. As Rick Riordan, author of the Percy Jackson series, says, “This tale will change the way you see Sherlock Holmes and leave you dying to know more.”
