Assholes Aug 21 2021 In the spirit of the mega-selling *On Bullshit*, philosopher Aaron James presents a theory of the asshole that is both intellectually provocative and existentially necessary. What does it mean for someone to be an asshole? The answer is not obvious, despite the fact that we are often personally stuck dealing with people for whom there is no better name. Try as we might to avoid them, assholes are found everywhere—at work, at home, on the road, and in the public sphere. Encountering one causes great difficulty and personal strain, especially because we often cannot understand why exactly someone should be acting like that. Asshole management begins with asshole understanding. Much as Machiavelli illuminated political strategy for princes, this book finally gives us the concepts to think or say why assholes disturb us so, and explains why such people seem part of the human social condition, especially in an age of raging narcissism and unbridled capitalism. These concepts are also practically useful, as understanding the asshole we are stuck with helps us think constructively about how to handle problems he (and they are mostly all men) presents. We get a better sense of when the asshole is best resisted, and when he is best ignored—a better sense of what is, and what is not, worth fighting for.

Britain's Best Small Hills Feb 01 2020 Hot on the success of *Wilderness Weekends*, one of the top selling guides in 2015, award-winning travel writer Phoebe Smith returns with more great outdoor experiences tailored not just for the hard-core wilderness enthusiast but for novices and newbie hillwalkers alike. Take a friend, or take the kids - or both! - and climb one of Phoebe's favourite hills. There are 60 of them detailed in this easy-to-follow guide which champions a new easy-access approach to hillwalking. With 20 hills each in England, Wales and Scotland, from just 120 metres to a manageable 609 metres, and from Cornwall to the Scottish Highlands, there's bound to be a hill for you. 'When it comes to mountains society seems to be obsessed with height' says Phoebe Smith. 'But those who shun peaks based on measurement are truly missing out. Following on from the success of *Wilderness Weekends*, people are always asking me where they can take a friend, partner or young child that will help convince them that the outdoors - and hills - are worth the effort. Answering that need is this book, it's all about minimum effort for maximum results.' Each walk also includes tips on safety, kit, weather, walking responsibly, maps, tackling hills sensibly, and taking children, friends and reluctant walkers.

A Pathway Short Adventure Collection Nov 11 2020 After reading the novel *DEEP BLUE*, don't miss three exciting short stories featuring

shark researcher Dr. Grace Mann and her boyfriend, underwater filmmaker Alec Galloway. DEEP BLUE AUSTRALIA When Grace accompanies Alec to Western Australia for a commercial shoot with great whites, she envisions relaxing days in the sun and smoldering nights between the sheets. But as Alec's mood becomes increasingly distant, Grace worries the chemistry they shared—so effortless in the beginning—was starting to fizzle. Is his reticence related to her, or something else? And can she find a way to help him get the footage he needs before his behavior places his life in danger? DEEP BLUE REUNION ISLAND Grace joins Alec on a trip to the French island of Réunion. Alec and his team—Dan “Double D” Donovan and Stephie Kim—are documenting the capture and relocation of mature bull sharks from the western coastline. For over ten years, shark attacks have terrorized the people of Réunion, essentially ruining the diving and surfing industry. The relocation program is a last-ditch effort to bring a peaceful coexistence between humans and sharks, but Grace's resolve is tested as she enters the water with these tenacious predators. Bull sharks didn't earn their name because they were polite. DEEP BLUE COCOS ISLAND Grace is invited to participate in a documentary alongside several distinguished female marine scientists, and Alec, Double D, and Stephie come along to film them in the waters off Cocos Island near Costa Rica. Grace is still dealing with recent criticism of the film Alec made of her last year diving with great white sharks, and in the company of such accomplished women, she struggles to keep her insecurities at bay. When differing viewpoints lead to friction, Grace must learn to stand up for herself, but a bright spot emerges when Alec makes a surprise decision about their relationship. Each Pathway novel can be read as a stand-alone, but don't miss the other books. Book 1: Deep Blue (Dr. Grace Mann and Alec Galloway) Book 2: Cold Horizon (Lindsey Coulson and Tyler Galloway) Book 3: Ancient Winds (Dr. Tristan Magee and Brynn Galloway) After reading the novels, enjoy these short stories in The Pathway Short Adventure Series: Short 1: Deep Blue Australia Short 2: Deep Blue Réunion Island Short 3: Deep Blue Cocos Island Short 4: Cold Horizon Telluride Short 5: Shark Reef Related novella: Blue Sage (Dr. Audrey Driggs and Braden Delaney)

A Twisted Journey and Other Short Adventures Apr 16 2021 A TWISTED JOURNEY Life is like a roller coaster, filled with twists and turns, ups and downs. The truth of this adage can be found in Robert Andrews's short story collection, A Twisted Journey and Other Short Adventures. Simple and sometimes horrific events turn characters' lives upside-down, but rather than get off the ride, most of them hang on and hope for more. In the title story, A Twisted Journey, art gallery employee Tammy is shaken by a mysterious intruder with the knife. The seeds of a serious mood disorder come to the surface and distort her perceptions. Will the wounds heal and allow her to find love, or will the trauma lead her down the path into darkness? In part two, stories include magical feats of strange women, a widow's quest for peace, and a senior unwilling to accept age stereotypes. In these and other tails, expect the unexpected. The characters ride the roller coaster of life and to voyage with them is certainly worth the effort.

In *Where the Rubber Meets the Road*, book 1 in the Shelbee the Short Bus series, we meet Shelbee the Short Bus who is taking on a new job of transporting five children—Amber, Zoe, Ian, Sean, and Toby—to their special education classes at Evergreen Elementary School. Each child has a unique set of challenges, and together with Shelbee, they begin a journey of embracing new possibilities in life. Meanwhile, Shelbee is the only "short bus" (small bus) among all the other regular buses carrying kids to school. Bossee, the leader of the buses, is skeptical of Shelbee—having never worked with a short bus before. Rustee, a wise, older bus, has been around the block a time or two and sees some possibilities for Shelbee, while buses Smokee and Blinky are not sure what to make of Shelbee the "newbee." Nasty, Brutish, and Short Nov 04 2022 An NPR Best Book of 2022 * One of Christian Science Monitor's 10 best books of May "This amazing new book . . . takes us on a journey through classic and contemporary philosophy powered by questions like 'What do we have the right to do? When is it okay to do this or that?' They explore punishment and authority and sex and gender and race and the nature of truth and knowledge and the existence of God and the meaning of life and Scott just does an incredible job." —Ryan Holiday, *The Daily*

Stoic Some of the best philosophers in the world gather in surprising places—preschools and playgrounds. They debate questions about metaphysics and morality, even though they’ve never heard the words and perhaps can’t even tie their shoes. They’re kids. And as Scott Hershovitz shows in this delightful debut, they’re astoundingly good philosophers. Hershovitz has two young sons, Rex and Hank. From the time they could talk, he noticed that they raised philosophical questions and were determined to answer them. They re-created ancient arguments. And they advanced entirely new ones. That’s not unusual, Hershovitz says. Every kid is a philosopher. Following an agenda set by Rex and Hank, Hershovitz takes us on a fun romp through classic and contemporary philosophy, powered by questions like, Does Hank have the right to drink soda? When is it okay to swear? and, Does the number six exist? Hershovitz and his boys take on more weighty issues too. They explore punishment, authority, sex, gender, race, the nature of truth and knowledge, and the existence of God. Along the way, they get help from professional philosophers, famous and obscure. And they show that all of us have a lot to learn from listening to kids—and thinking with them. Hershovitz calls on us to support kids in their philosophical adventures. But more than that, he challenges us to join them so that we can become better, more discerning thinkers and recapture some of the wonder kids have at the world.

[Miss Budge Goes to Fountain City: A Mildred Budge Christmas Story](#) Apr 04 2020 "Don't you ever want to run away from Christmas?" Mildred Budge's answer to Dixie was immediate and truthful. "Yes, yes, yes," Mildred said with conviction. She couldn't stop saying yes, though the very idea that a good church lady would want to run away from the occasion during the year that marked the birth of Jesus-- the reason for the season for a tried and true church lady of the South-- was almost beyond explanation. "Then, let's go. Let's go to Fountain City and find Mr. Fixit and eat sublime pies," her friend Dixie urged. The two needed Mr. Fixit because of a recently bought vintage music box that won't play. They can't hear the song, and the angels on top can't fly. The problem feels urgent. By the time Mildred and Dixie find Mr. Fixit and sample pies at the shop next door, the two runaways from Christmas find themselves right at home in Fountain City and more comfortable with who they are. If you are looking for an uplifting story that reminds you of the reason for the season after all, you'll surely enjoy this newest short adventure of Mildred Budge and her new friend Dixie, a woman whose multiple personalities encourages readers to enjoy the dimensions of personhood that can't be labeled and which often respond to beauty and shared joy. If you don't love Christmas and especially if you do, grab a copy of this charming Christmas story today. You'll be smiling by the time Mildred asks Dixie, "Are you ready to go home?" And you'll want to go with them. More about Mildred Budge.... This story is an intermission between the larger novels featuring Mildred Budge and friends. It fits companionably with the two other sets of shorter adventures: Miss Budge in Love and The Mission of Mildred Budge. Longer novels include Mildred Budge in Cloverdale and Mildred Budge in Embankment.
