opening insight, including • God's true plan and purpose for women • Jesus' radical teachings and care for women • men's important role in restoring women • the true meaning of difficult Bible passages about women • examples of women in leadership as God intended God fashioned women to reign alongside men. Jesus set women free to be beautiful and powerful. It's time for us, as daughters and sons of the King, to rule together in glory again. Will you join the revolution? "We have failed to realize that Jesus founded the women's liberation movement more than two thousand years ago. Isn't it high time His Church led the

revolution?"--Kris Vallotton "Off the charts. Worthy to be read and studied by all. You won't be able to put it down."--Patricia King, founder, XP Ministries "Read, weigh and embrace the spirit, truth and heartbeat of this book. This biblical approach rightly addresses unright arguments of strained interpretations. Such balance and beauty make sense and offer wisdom. I say, 'Amen!'"--Pastor Jack Hayford, chancellor, The King's University, Dallas/Los Angeles "This profound work is a must-read for men and women alike; it has the potential to instill courage in the hearts of men and give women permission to dream again."--Bill Johnson,

senior leader, Bethel Church, Redding, California; author, *The Essential Guide to Healing and When Heaven Invades Earth* "Finally, a biblical perspective that encourages women to remain themselves and still take their God-given places of leadership."--Stacey Campbell, author, *Praying the Bible*; co-founding pastor, New Life Church, Kelowna, British Columbia "This compelling work will elevate your awareness, challenge some presuppositions and invite you to grow in the grace of the Lord Jesus."--Dr. Mark J. you to regain your identity that Satan stole and live the life God created you to live."--Cynthia Brazelton, pastor, Victory Christian Ministries International "I deeply enjoyed diving into the Bible with Kris as my guide to find out what God really says about men and women. It has enhanced my understanding of who I am as a woman and inspires me to instill that in the young women around me. This book is about truth and therefore would be great written by anyone. However, I realized that the fact that it was written by a man, and it is a man calling me into my divine design, brought a deeper level of healing than I'd anticipated and sent me on

a journey digging deeper into God's heart. I recommend it for all!" --Revival Magazine "Fashioned to Reign considers the everlasting deception Christians face regarding women's role and purpose: a deception fostered by evil and which is not of God's plan. The disempowerment of women was the devil's idea - and God's true plan for women is very different. Woman was, in fact, designed to stand by man's side and reign with him, not under him - and Fashioned to Reign covers God's ultimate intention for women. Packed with scripture and information throughout, Fashioned to Reign is a powerful analysis perfect for any Christian collection." --

Heavy Rain Dec 23 2021 We

owe the world an encounter
with God. In the midst of the
darkest epoch season in human
history, Jesus Christ had the
audacity to teach us a prayer
so powerful that it defies
human reason. It would be
forever remembered as The
Lords Prayer. Jesus turned to
his tattered brigade of spiritual
warriors and said, Pray that My
Father's kingdom would come
and His will be done on Earth,
as it is in Heaven. Was this
prayer a sort of wish upon a
star, intended to be prayed by
billions, but only to be
experienced by a few in some
distant eternity? Is the earth
eroding, or is it evolving? Is
global warming the beginning
of the intense heat that will

reduce our world to a hot rock
spinning hopelessly through
space? Will evil finally triumph
over good, leaving terrorism to
ravage the righteous, rape the
innocent, and pillage our
children? Will some maniac
dictator finally push the button
and blow us into obliteration?
The purpose of this book is to
unearth the ancient mysteries
that answer these questions
and prepares the Church for a
revolution that transforms
every realm of society. God
wants heaven to invade earth

God wants to work in each of our lives to fulfill His purposes—today, tomorrow, and in the years to come. The stories in this collection of God-encounters carry a prophetic anointing for all who have ears to hear. Author Bill Johnson highlights the significant traits and contributions of many well-known revival leaders, including John Wesley, Charles Finney, Dwight L. Moody, Maria Woodworth-Etter, Carrie Judd Montgomery, Smith Wigglesworth, John G. Lake, Evan Roberts, Rees Howells, Aimee Semple McPherson, Kathryn Kuhlman, Randy Clark, and Heidi Baker. He explains the impact these leaders can have on us today as we respond

to the life-changing truths revealed through their life stories. There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives. It is a power that inspires us to hunger for God in such a way that we, too, will have an encounter with Him that launches us into the world of the “impossible,” enabling us to fulfill a greater measure of our destiny. Read this book with a sense of readiness, and watch what happens.

flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight

and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray

that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, *The Roar: God's Sound in a Raging World; Future Perspectives*, New Haven, Connecticut

Poverty, Riches and Wealth

Mar 26 2022 Overcoming the Never-Enough Mentality to Experience True Kingdom Abundance Prosperity. It's one of the most dividing words in the church. Some pastors use it to tell their congregations that God will make them all rich, rich, rich! Others spurn the word and insist that true Christlikeness is found in forsaking all worldly riches and possessions. The truth is, both are right--and both are wrong. With refreshing honesty, humor, and keen insight, bestselling author and pastor Kris Vallotton mines the Scriptures in an eye-opening study of what the Bible really

says about money, poverty, riches, and wealth. And what he finds is sure to shake up what you thought you knew--including these surprising truths: · Jesus was not poor and homeless · Heaven is described in the language of wealth · Poverty is a mindset that holds us back from true wealth · You determine your wealth based on how much, and how well, you love yourself · God wants all his children to be wealthy, though not everyone should be rich Kingdom prosperity begins from the inside out. When you learn to cultivate a mindset of abundance, no matter your circumstances, you will begin to experience the wealth of heaven in every area of your

life.
